How to Volunteer:

Want to be a volunteer this school year? Two things to do:

Step 1: Sign up for volunteer updates
This is how you'll be notified of volunteer opportunities throughout the 2026-2027 school year.

Step 2: Register for School Access

School Access is required for every individual who is not a St. Johns County School District staff member. If a person does not have school access, he/she cannot go past the front desk into a school — it's a district requirement and takes just a few minutes to complete! You'll need an ID every time you come to school to volunteer.

More info at: stjohns.k12.fl.us/volunteer

Already on last year's list? You're good to go — no need to sign up again!
