We are in the initial planning stages for our Around the World Multicultural Night to be held on Friday, February 21st.

As we start to plan this event, we would love to know who all would be interested in hosting a booth. Booths would represent a country/region. (Booths could also represent states or regions of the US). Booths can choose to offer food samples, activities or crafts. Booths can highlight their country/region with posters, flags, apparel, music, history, language, etc. We will group families together who are highlighting the same country.

This survey is just to gauge interest & which countries we have represented. This is not a commitment to host a booth. We will have a sign up link sent out later in December for those who want to officially sign up.
