How to Volunteer:

Want to be a volunteer this school year? Two things to do:

Step 1: Sign up for volunteer updates

This is how you'll be notified of volunteer opportunities throughout the 2026-2027 school year.

Step 2: Register for School Access

School Access is required for every individual who is not a St. Johns County School District staff member. If a person does not have school access, he/she cannot go past the front desk into a school — it's a district requirement and takes just a few minutes to complete! You'll need an ID every time you come to school to volunteer.

More info at: stjohns.k12.fl.us/volunteer

Already on last year's list? You're good to go — no need to sign up again!

PTO Important Forms

Please note these forms will go live once teacher assignments are released

Contact Release Form

Please complete one Contact Release Form per student. Without this form on file, the PTO and room volunteers cannot send you communications. Note: This form is available once you receive your teacher assignment.

You must fill out a new contact release form for each student, each year!

Middle school families: This form is required to receive updates and information about PTO-sponsored middle school events.

Classroom Volunteers

Room Volunteer Interest Form

K-5 Parents: If you're interested in volunteering in your child's classroom, please complete the Room Volunteer Interest Form once teacher assignments are sent out. We're looking for Room Parents, Trunk-or-Treat Coordinators, and Dolphin Dash Coordinators. Detailed information about each role is on the next page!

Please submit one form per student. The deadline to complete the interest form is August 11th.

Classroom Volunteer Roles

Room Parent

As a Room Parent, you'll help build community and support your child's classroom throughout the year. You'll serve as the liaison between the teacher, fellow parents, and the PTO — coordinating volunteers, collecting donations for classroom needs, and sharing important updates about PTO events and activities. You'll also help make special moments memorable, from your teacher's birthday to holidays and end-of-year celebrations! Time commitment varies by teacher preference and grade level.

Dolphin Dash Coordinator

As a Dolphin Dash Coordinator, you'll help lead PIA's annual fun run/fundraiser, one of our biggest community events of the year! You'll work with the PTO to coordinate volunteers, organize event logistics, and help promote participation among PIA families. This role is perfect for parents who enjoy event planning and want to help make Dolphin Dash a success for the whole school. Time commitment increases in the weeks leading up to the event, with most planning happening remotely.

Trunk or Treat Coordinator

As a Trunk or Treat Coordinator, you'll help bring one of PIA's favorite fall traditions to life! You'll work with the PTO to organize trunk sign-ups, coordinate volunteers and decorations, and help plan the event's layout and activities. This is a great fit for parents who love organizing and want to create a fun, memorable night for our Dolphin families. Time commitment is concentrated in the weeks leading up to the event, with most planning happening remotely.
