This year, families have the choice to donate to PIA or RR, depending on where students will be attending for the 2026–2027 school year. Please scan the corresponding QR code. Using two QR codes helps us keep fundraising clear, transparent, and organized, ensuring donations are accurately allocated to each school. This also allows our community to easily track and view the total funds raised for each school in real time.

PIA Donations

RR Donations

What are we fundraising for?

PIA is fundraising for capital enhancement projects. Funds raised will support the addition of a turf field for the K–5 playground and additional computers and computer carts for our Middle School students.

Donations for RR will be directed to the RR PTO once it is established this spring. The RR PTO Board will create a budget for the 2026–2027 school year after the board is formed. This is the same approach used to transition from PVA to PIA in 2021, and it proved to be a strong and effective kickstart.

There are individual, household, and classroom prizes — every student can earn prizes, whether donations support PIA or RR!

Household prizes were designed specifically for families with multiple children at PIA. To participate, you will need to register each student using the same email address. We will total your household funds raised allowing all of your children to attend household *experience* prizes that you qualify for! For example if you have 2 children & they each raise \$125, they would each receive a bookmark, pencil, dice, and spinner but they would also all qualify for the \$250 level Family Glow Dance!

Top-Hat Tracker - \$50 Prize – Pencil

Roll & Pop Bonus - \$75 Prize – Pop 'n Dice
